Statement Establishing Unintentional Delay Of Issue Fee Payment

This Statement accompanies a Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b) in the above-identified application.

It is hereinafter explained that, in good faith and upon receipt of the Notice of Allowance and Fee(s) Due from the responsible Outside Counsel attorney, Applicant docketed the Notice at its facility in Kanata, Canada. Applicant subsequently forwarded the Notice via email to the responsible inhouse Managing Attorney for review and approval to pay the fee. The email further instructed the Attorney to forward the Notice to Murray Hill, New Jersey, for eventual payment of the issue fee by December 19, 2008.

The known facts and circumstances surrounding delayed payment follow:

- 1. The Notice dated September 19, 2008, was received by Applicant's Outside Counsel attorney Ross D. Snyder & Associates, Inc. (Austin, TX).
- 2. The Notice was forwarded to Applicant's facility in Kanata, Canada, and docketed on October 30, 2008.

- 3. The Notice was emailed by the Kanata Docket Administrator to the responsible Managing Attorney for review and approval on November 10, 2008. It was requested in that email that the Managing Attorney, upon approval, forward the Notice to Murray Hill, NJ, for eventual payment. All Alcatel-Lucent Notices of Allowance are sent to the Murray Hill, NJ, facility and queued for issue fee payment.
- 4. On December 22, 2008, it was discovered that the issue fee payment was not made by the due date of December 19, 2008.
- The Managing Attorney was contacted and, upon reviewing his electronic mailbox, discovered he unintentionally misfiled the instructional email to both review and forward his approval to Murray Hill along with the Notice.

In view of the above account of events, it should be clear that Applicant unintentionally missed paying the issue by the due date of December 19. Applicant discovered the error on December 22, 2008, communicated with all parties involved from Kanata and Murray Hill to investigate the matter, and dutifully moved to submit payment all required revival and issue fees.

Commissioner is authorized to charge Lucent Technologies Deposit Account 12-2325 in the amount of \$1620.00 and \$1510.00 (totaling \$3,130.00) as outlined in PTO/SB/64. In the event of any non-payment or improper payment of a required fee, the Commissioner is authorized to charge Lucent Technologies Deposit Account No. 12-2325 as required to correct the error.

Respectfully submitted,

By
